

NEBRASKA LICENSEE ASSISTANCE PROGRAM

A SERVICE OF BEST CARE EAP

The NE LAP Web Site

The screen shot below is from the homepage of the NE LAP web site. Our web site can be visited at www.LAPNE.org

The web site contains our contact information and office hours. There are also descriptive overviews on the educational presentations we can present to your group (the NE LAP services presentation is also available in an online webinar). We provide links to the Nebraska DHHS Division of Public Health-Licensure Unit, their *Alcohol and Drug/Abuse and Addiction Health Care Professionals Resource Guide*, and various national abuse and addiction resources. There are answers to frequently asked NE LAP questions, a library list of our quarterly newsletters for the last five years and an online brochure in color that can be printed for distribution as needed. Finally, there is a Contact Us email link to reach us via email.

Please visit our web site for this information and refer those who might benefit from our services to the web site. We can then be contacted for answers to more specific questions or to make arrangements to use our services.

A benefit for Nebraska health and health-related service licensees, certificate holders and registrants.

Nebraska Licensee Assistance Program

You or someone you know may be a Nebraska health service professional impacted by alcohol or drug abuse. If abuse is allowed to continue, many professionals can find themselves in the cycle of addiction which will adversely affect their personal lives and jeopardize their professional careers.

The Nebraska Department of Administrative Services has contracted with Best Care Employee Assistance Program to provide the Nebraska Licensee Assistance Program (NE LAP) services specifically for Nebraska health and health-related service licensees, certificate holders and registrants. A variety of professional alcohol/drug abuse and addiction assistance services are available for all health service professionals regulated by the State of Nebraska Health and Human Services, Division of Public Health, Licensure Unit. These services include:

- Pre-License Alcohol/Drug Assessments (license applicants)
- Alcohol/Drug Diagnostic and Recovery Assessments
- Education, Counseling and Treatment Referral Assistance
- Case Management and Monitoring
- Education
 - Alcohol/Drug Abuse or Addiction Topics
 - Monthly Email Newblasts
 - Quarterly Newsletters
- Web Site

If you are a licensed health or health-related service professional wanting more information about alcohol/drug abuse or addiction, please contact the NE LAP at (800) 851-2336 or (402)354-8055 or visit our web site at www.lapne.org. If you would like to consult with the NE LAP, or schedule an assessment or an educational presentation, please ask for Judi Leibrock, NE LAP Coordinator or Michelle Hruska, NE LAP Counselor.
